## On-Demand Trainings:

HS University offers training with anytime, anywhere access to course materials including lectures and labs. With focused learning, one-on-one mentoring and flexible scheduling, we put time back in your hands. With our new offering of On-Demand training, this self-paced format offers the same in-depth learning environment and helps you maintain compliance.

Access to **on-demand recorded trainings** allow you to view a live virtual event anytime and anywhere, meaning you can take control of your own learning at a time and place that suits you.

## Why HS University On-Demand Trainings?

### REASON #1: LIVE, ONLINE MENTORS AVAILABLE

---

- Certified instructors are available to mentor as you progress through the course through our course discussion board, email support and guidance.
- Mentors can answer questions and provide personalized instruction to help increase comprehension and retention of the course materials

### REASON #2: YOU CONTROL YOUR LEARNING EXPERIENCE

---

- Build deep technical skills when you choose, where you choose
- Our modular, self-directed course structure adapts to your learning needs and learning style

# Student Information Packet for On-Demand Training

- You can complete training piecemeal or in the order you choose, so you can focus on what you don't know or what you need to know right now

## **REASON#3: LIVE, ONLINE DISCUSSION BOARDS**

---

- Live real-time discussions with peers and class mates.
- The same hands-on discussion environment used in the classroom.

## **REASON #4: HIGH-QUALITY CONTENT, DIRECT FROM THE SOURCE**

---

- The content is based on the same official courseware used in instructor-led training. The high-quality videos offer in-depth technical content delivered by engaging instructors.
- Immediate feedback on mastery. Knowledge checks at the end each module and each course tell learners whether they've mastered the content and are ready to move on.
